PROFESSIONAL SUMMARY

BCA graduate with project experience in frontend development and Java-based applications, alongside 1 year of e-commerce operations experience. Skilled in Java, JavaScript, React.js, HTML, CSS, and SQL, with experience building responsive interfaces, form integrations, and socket-based desktop messaging applications. Seeking an entry-level web development or software development role.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript (ES6+), Python, C

Web Technologies: React.js, HTML5, CSS3, Bootstrap, Tailwind CSS

Databases: MySQL, Oracle SQL

Tools and Deployment: Git, GitHub, Vercel, Render, Railway, Web3Forms

Core Computer Science: Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA), DBMS, Operating Systems

PROJECTS

Personal Developer Portfolio

React.js, Tailwind CSS, React Hook Form, Web3Forms
Live: https://ayanfarukh.vercel.app/ | GitHub: https://github.com/ayanfarukhh/Portfolio/

- Built a responsive developer portfolio using React.js and Tailwind CSS for mobile, tablet, and desktop layouts.
- Integrated React Hook Form with validation and async/await handling for client-side form processing.
- Connected Web3Forms API to send contact-form submissions by email without a dedicated backend.

Online Book Store Platform

Java, JSP, JavaScript, HTML5, CSS3, Oracle SQL
GitHub: https://github.com/ayanfarukhh/OnlineBookStore

- Developed an academic web platform with user authentication, book browsing, and online ordering workflows.
- Implemented access to downloadable PDF study materials.
- Used JavaServer Pages (JSP) for server-side request handling and dynamic content connected to a relational database.

Real-Time Chatting Application

Java, Java Swing, Socket Programming, AWT
GitHub: https://github.com/ayanfarukhh/Chatting-Application

- Built a desktop messaging application using Java Socket and ServerSocket for two-way TCP/IP communication.
- Created the desktop interface with Java Swing and AWT, including chat-history rendering and dynamic panel updates.
- Used DataInputStream and DataOutputStream to transmit messages and added live timestamp formatting.

EXPERIENCE

E-commerce Management | 1 year

Managed day-to-day e-commerce operations, including product listings and inventory updates, to support accurate and timely publication.

Coordinated with customers and stakeholders to address queries and support smooth business operations.

EDUCATION

Bachelor of Computer Applications (BCA) | Maa Shakumbhari University | 2026 | CGPA: 7.6/10

Class XII (Senior Secondary) | DAV Inter College, Muzaffarnagar | 2023 | 71%

Class X (Secondary) | DAV Inter College, Muzaffarnagar | 2021 | 75%
